

# EU Blue Card Entry visa

The EU Blue Card allows third-country nationals with a university degree to take up employment in Germany commensurate with their qualifications.

The EU Blue Card, like all longer-term residence permits, is issued **exclusively** by the **relevant foreigners authority** in Germany. **You must apply for the national visa, which is required in advance, from the embassy.**

General information on the EU Blue Card is available from the Federal Office for Migration and Refugees website at [www.bamf.de](http://www.bamf.de) and from the portal for qualified professionals [www.make-it-in-germany.com](http://www.make-it-in-germany.com).

### **For your application you require the following documents:**

- Passport
- Application (and Declaration in accordance with Section 55 (2) of the Residence Act [*link to the form on the Embassy/Consulate-General website would be advisable*])
- Curriculum vitae of professional career, including certificates, diplomas, etc.
- German university degree or recognised foreign degree comparable to a German degree
- Contract/binding job offer with details of gross annual salary.

You are required to check whether your foreign university degree is recognised or comparable by consulting the ANABIN database: <http://anabin.kmk.org/> and provide a copy.

Please prepare two identical application sets with the above-mentioned documents and bring your original certificates as well as your original employment contract along. Please **DO NOT** staple any documents.
